

Dhruv Gupta

Roll no. 24BHI10088 | dhruv.24bhi10088@vitbhupal.ac.in

DOB: 03 September, 2006

Address: B5/97 Awadh Garvi , Varanasi 221001

<https://github.com/dhruvG110/>

www.linkedin.com/in/dhruv-gupta-913a7b2a6

Education

Vellore Institute of Technology , Bhopal

B.Tech (CS)

2024 - present

CGPA: 8.10

(Till 3rd semester)

W.H Smith Memorial School

CISCE, Standard 12, PCB+CS

2022-2024

Percentage: 89%

W.H Smith Memorial School

CBSE, Standard 10

2021 - 2022

Percentage: 92%

Skills

Expertise Area: Object-Oriented Programming, Web Development, Machine Learning / Data Science

Programming Languages: Python, C++, Java, JavaScript

Tools and Technologies: Git, GitHub, ReactJS, NextJS, Tailwind CSS , SQL , MongoDB , Express , Node JS , Cloudflare Ngrok , Postman , Docker(basic)

Technical Electives: Java Advanced Programming, Data Structures and Algorithm, Introduction to Artificial Intelligence, Database Management System

Projects

Edit2Scale: A Platform Where Editors can Learn and Earn Both

Built a platform enabling aspiring video editors to learn professional editing skills through structured courses while also providing opportunities to monetize their work and connect with potential clients.

(Jan, 24 - April, 24)

Tech Stack: ReactJS, Supabase, SQL, Tailwind CSS, Framer Motion

- Developed responsive frontend interfaces for course browsing, user dashboards, and creator profiles
- Integrated Supabase backend services for authentication, database management, and user data handling
- Designed smooth UI animations and interactive user experiences using Framer Motion
- Implemented structured course and content management workflows for editors
- Built scalable database schemas using SQL for user accounts, course data, and earning-related features

MonteVision – A Financial Dashboard , and Model Simulations

Developed the frontend of an investment analytics platform focused on portfolio visualization and risk analysis using Monte Carlo simulations.

Tech Stack: ReactJS, Vite, Tailwind CSS, Framer Motion

- Built responsive and interactive dashboard UI for investment tracking

- Implemented Monte Carlo simulation with 30,000+ generated paths for portfolio forecasting
- Designed data visualizations and animated financial analytics interfaces
- Optimized user experience with smooth transitions and responsive layouts
- Deployed frontend application using Netlify

Github Link :- <https://github.com/dhruvG110/MonteVision>

NexFlow – AI Automated Workflow(Zapier like app end-to-end SAAS)

Tech Stack: Next.js, React, TypeScript, Prisma, PostgreSQL, Clerk, Trigger.dev, Tailwind CSS

- Developed a workflow automation platform using Next.js, TypeScript, Prisma, and PostgreSQL with a drag-and-drop workflow builder powered by React Flow.
- Implemented workflow versioning, execution history APIs, Trigger.dev-based workflow execution, and Clerk authentication.
- Used Zod for schema validation, Sentry for monitoring, and Vitest + Testing Library for testing and code reliability.
- Built responsive reusable UI components using Tailwind CSS and shadcn/ui patterns.

GitHub Link:- <https://github.com/dhruvG110/NexFlow>

Awards and Achievements

- Awarded certification in Java programming by college for proficiency in object-oriented programming and core Java concepts.
- Earned Linux certification from college for demonstrating understanding of Linux commands, shell environment, and system fundamentals.
- Solved 50+ Data Structures & Algorithms problems on [LeetCode](https://leetcode.com/) covering arrays, binary search, two pointers, and problem-solving techniques.
- Participated in 5+ hackathons including Smart India Hackathon and secured Runner-Up position in one team-based hackathon.
- Built multiple full-stack projects using Next.js, TypeScript, Prisma, PostgreSQL, and modern SaaS architecture patterns.
- Developed a production-style workflow automation platform inspired by Zapier and n8n featuring workflow orchestration and execution pipeline

Interests and Hobbies

- Reading Manga
- Playing Cricket

Declaration: The above information is correct to the best of my knowledge.
